When "The Fever,"

the Bicycling fever, catches you (or you catch it) we would like a chance to prescribe for you, not that we expect to effect a cure, only to sell you a wonder in wheels.

This is what one of the Hawaiian College boys writes to his father regarding the best wheel to buy for his sister: "I hold the Rambler second to none in the country (the U. S.), and if anyone can show a wheel which has traveled as many miles as mine has with as little expense as mine I would very much like to see it. Besides changing the gear from 64 to 70 and the saddle to one of later pattern my entire expense for the wheel has been fifty cents. That I think is a pretty good record, don't you? I am very much afraid that my tires, the same ones I got on the machine, will not last me through the next season. They are almost worn through all over. It will cost me from \$12 to \$15 to get new tires put on, but it is legitimate wear. I never knew a pair of tires to wear as long and as well as these have, considering the amount of travel. When you consider that they have traveled as far as from Cleveland, O., to Honolulu, over all sorts of roads and paths, you will see that they must needs wear some."

The above opinion you will find to be the opinion of about every rider of a Rambler in this city, and there are a lot of Rambler riders here. Our trouble has been to get enough wheels, the makers not realizing that we want '97 stock before the snow has melted in their country. By the Australia this week we received 7 ladies' wheels, and six of them we have sold. By the Miowera mail we ordered 20 Ramblers and by this week's mail we are ordering 5 more, and we have orders in for 2 Racers, so by return Australia we will have 27 Ramblers, and in future we do not propose to lose the sale of any wheels by not having them on hand. Remember that the Rambler is fitted with the only tire that has proved entirely satisfactory in this country, the great "G. & J." There are imitations to this tire to be found here, but if you don't find it out when you buy them, you will after you have used them a while, to your sorrow. The genuine "G. & J." tire is to be had only at the Rambler Agency, and there you can get the right article, fully guaranteed.

How to Prevent Taking Cold.

A person in good health easily resists cold, but when the health flags and liberties are taken with the stomach or with the nervous system a chill is easily taken, and, according to the weak spot of the individual, assumes the form of a cold or pneumonia, or, it may be, jaundice. Of all causes of cold probably fatigue is one of the most efficient. A jaded man coming home at night from a long day's work, a growing youth losing two hours' sleep over evening parties two or three times a week, or a young lady heavily "doing the season," or young children overfed and with short allowance of sleep, are common instances of the victims of cold.

Luxury is favorable to chill taking. Very hot rooms, feather beds and soft chairs create a sensitiveness that leads to catarrhs. Some of the worst colds happen to those who do not leave their house or even their beds, and those who are most invulnerable are often those who are most exposed to changes of temperature and who, by good sleep, cold bathing and regular habits, preserve the tone of their nervous system and circulation.

Probably many chills are contracted at night or at the fog end of the day, when tired people get the equilibrium of their circulation disturbed by either overheated sitting rooms or underheated bedrooms and beds.

Citizens Attention.

These are days of considerable anxiety and perplexity to all who have possessions or other interests in the Republic of Hawaii, and it is time that our citizens came to a mutual understanding on several important issues. The prospects for Annexation appear at present vague and indistinct, and our destiny cannot be foretold with certainty. There are those, also, who still fondly cling to the hope of a return to the old order of things, and who cannot be persuaded otherwise, yet this outlook appears far more hazy than that of Annexation even to the most hopeful disciples of the Monarchy. But, fortunately, in the midst of all this uncertainty there is solace in the fact that Buffalo Beer has come to stay and that patrons of all sorts and opinions may equally share the benefits of its invigorating and sustaining properties. We are moreover assured that this favorite brew will continue to be dispensed as heretofore at the Royal, Pacific and Cosmopolitan Saloons.

Nicely furnished rooms at the Popular House, 154 Fort street, from \$1.00 per week up.
